HAPPENINGS

BY J.M.

Since the last Bulletin, SASMEE has had a good show of members who come out with their boats, trains and just give a hand to make the more enjoyable. SASMEE has been receiving some excellent comments from the public on how we all perform professionally, easy to approach and a good day out for the family in a lovely park like setting. All members should be proud of the continuous work achieved during the year as it doesn't go un seen.

Also we had our Annual General Meeting and we welcome our new Committee members coming in to do their bit for SASMEE. They are,

President.	-John Monte.
Vice President.	-Ian Thomas. [Canteen assist. Manager.]
Secretary.	-Jeff. Schaefer.
Minute Secretary.	-John Beal.
Treasurer.	-Ralph Ollerenshaw.
Assistant Treasurer.	-John Daly.
Committee.	-John Weidenhofer.
Committee.	-John Foster.
Committee.	-John Barbi [Canteen manager.]
Committee.	-Ian Foster.

Good to see John Babi back from a long illness and chirpy as ever.

Mark Coxon did a survey on the Sunday public day, 7th November.

Think about the number of trips and the distance covered, we covered quite a few kilometers and we don't really think about the number of people we take for rides. Well another year gone by and another Christmas is coming and don't forget the Christmas BBQ, its one evening where we all get together. I would like to wish you all a Safe and Merry Christmas and a Prosperous New Year.

URGENT CALL – PLEASE MEMBERS AND MEMBERS PARTNERS, WE AARE ALWAYS LOOKING FOR EXTRA HELP IN THE CANTEEN. WE DO TAKE IT FOR GRANTED THAT THE CANTEEN LOOKS AFTER US VERY WELL EVERY RUN DAY, SO IF YOU CAN SPARE A DAY OR TWO, THIS TASK WOULD BE MORE ENJOYABLE.

2010 SATURDAY PUBLIC FIELD DAY. 21ST AUGUST

37 members came out to a day of 15c and it was a perfect winters day. Luckily, because we had rains all week long and more the following week. Wehad a good turnout of 7 trains and 13 boats and 5 large birthday parties which kept the park very busy throughout the whole afternoon.

Jean Clark, Jackie Monte, Jill Smith , Anne Mckay and Dorothy Ambler were keeping us all warm with hot cups of tea and coffee and the public with lots of hot foods.

SASMEE PARK STATION. 3.5 " & 5"

David Hawkins/John Beal

Ainsley Cuthbertson/Ian Foster. 0-4-0 Club Loco – Apprentice.

Malcolm Ambler. NSW Diesel #42215.

Alan Wallace. 0-6-0 Juliet

John Mere, 2-8-4 720 Class. #702

John Monte/Alan Wallace. 0-4-0, 0-4-0 shunters, Jack & Junior.

Trains were dispatched by station attendants, Mark Coxon and Ainsley Cuthbertson.

MILLSWOOD STATION, 5" & 7.25"

Barry Dunstan. 0-4-0 Dolgoch.

Graeme Driscoll 4 Truck Shay .#12

Trains were dispatched by Ian Foster and Milton Smith.

STEAM HOUSE

Bob Scanlan, John Weidenhofer and Ralph Ollerenshaw kept the stationary engines operating to many questions people were asking, which seemed to be the centre of attraction for a little while.

BOAT POND

Stan Shelton. Paddle steamer ,- Adelaide.

Bill Weste. Steam boat, -Langdon.

Michael Priest Loyal Helper. - A157.

Mary Turner. Clipper Trawler. - Bristol Bay.

Gerry Turner. Aisha 2.

Chris McKay. Landing Craft LCU-578 with 2 Tanks.

Sailing Boat, -Anne E.

Tug Boat. - Tenace.

John Sheldon White Star Cabin Cruiser.- MV356.

Twister Speed boat.

John Sheldon	Wave Rider MV -149.
Norm Kernich	Customs Launch.
Daniel Lyus.	Paddle Steamer -Emajay.

SUNDAY PUBLIC FIELD DAY – FATHER`S DAY. 5TH SEPTEMBER 2010

On a day of mixed showers and a top temperature of 18degrees C, 32 members had come to help in all areas and in all ways to make sure everything was fine, however the rain made it uncomfortable for most people, the canteen area was abuzz with activity of hot foods and drinks for everyone including members. A huge thanks to the ladies and gentlemen, Jean Clark, Mary Homann, Dorothy Ambler, Jackie Monte, Jodie Monte, Jake Mantell and John Monte who all worked hard to keep everyone happy with their favourite foods. Barbara Beal with her trading table was also kept busy as she was the centre of attention when the rain fell. The steam house was another gathering point for members as the warmth beside the boiler made it very comfortable. Many thanks to Barry Dunstan with Dolgoch , who was the lone runner on the 7.25" track and had no hassles pulling an extra carriage with Ian Clark as the guard.

STEAM HOUSE.

John Weidenhofer, Ralph Ollerenshaw.

RAILWAY PARK INTERCLUB RUN. - SATURDAY 12th SEPTEMBER 2010.

13 Members attended the interclub run on a day where the weather was absolutely Fantastic and we were welcomed at Regency Park with big smiles and a BBQ lunch to top it all off. Some of the drivers travelled some Km's during the day and others enjoyed the chit chat that occurred. Great Camaraderie.

Barry Dunstan.	Springbok.
Bryan Homann.	T. Class.
Graeme Driscoll.	German V8.
Ian Thomas.	Electric Shunter.
John Lyas.	520.
Daniel Lyas.	Cli-Shay.
Bob Smith.	500.

SEPTEMBER MEETING NIGHT. – AUCTION NIGHT.

Auction night, the night where one man's rubbish is another man's treasure. It was attended by 61 members who left only one spare sheet in the clubroom, it saw an entry of 6 new members all willing and enthusiastic to be part of the Club. The auction, chaired by Jack Davey saw an interesting start, probably a little slow however, we came to a hot little stationary type engine and the bidding started to get fierce and ended up just over \$150.00. There was the usual bags of mixed steel and down to a wheel barrow full of goodies which have all gone to a new homes, possibly to return next year.

SATURDAY PUBLIC FIELD DAY- 18th SEPTEMBER 2010

On a day that didn't look very well, weather wise, it did hold off at 15degrees and an occasional show of sunshine. 41 members came out ready, and enjoyed themselves throughout the day. Ladies and gent Jill Smith, Jean Clark, Margaret Lewis, Jackie Monte and Jake Mantell were kept very busy in the canteen, especially the hot foods dept. as there were 11 large birthday parties and the children were everywhere. It was good to see one of our young members, Ben Cottle driving Buffalo #8307 steamer with freight cars behind and mixing with the other drivers getting used to the traffic and also good to see one of our female members, Jodie Monte driving Dad's new electric shunter. It was also good to see some members who do come a fair way running their locos and boats enjoying their day out.

STEAMHOUSE.

Bob Scanlan, John Weidenhofer and Ralph Ollerenshaw.

SASMEE PARK STATION.

Bill Weste.	Steam boat Langdon.

SUNDAY PUBLIC FIELD DAY 3RD OCTOBER 2010.

43 members attended a warm 26 degree day and as it was the school holidays as well we had an enormous crowd, keeping everyone extremely busy and no chance of a rest. Jean Clark, Margaret Lewis, Susanne Clark and Jackie Monte were kept busy especially with ice creams now that the warmer weather has arrived. There were 7 very large parties and one table had invited 50 odd people for their son's birthday. It was good to see that most of the train drivers had to put on extra carriages to cope with the extra public and also Peter Cockburn recently obtaining his licence to drive with public. To all members, many thanks for making the day so successful.

MA 737S Steam launch.

OCTOBER MEETING NIGHT.

David Walton gave an indepth demonstration on the use of silicone moulding and casting. David had connected his camcorder to the television and was able to show the details involved to anyone sitting anywhere in the clubroom, quite innovative. In the short session we had tasted a chocolate SAR button and he also made a lamp with such fine detail and so quick. Many thanks to David Walton for this very fine informative evening.

SATURDAY PUBLIC FIELD DAY OCTOBER 16TH 2010

On a day of 15 degrees and cloudy, 43 members came out ready and willing to help and enjoy themselves throughout the day.

Cont'd

The ladies, Jean Clark, Margaret Lewis, Jill Smith, Dorothy Ambler and Suzanne Clark were kept busy in the canteen. Although the number of public were was a little down it was a god day to relax and Have a cup of coffee and a biscuit, a bit of a laugh and watch the trains go by with happy customers. The club boat " Albatross" made its debut, and Stan Shelton ran it all day without a glitch of trouble. It's another way to encourage people to participate, and confidence in building their own models.

STEAM HOUSE.

SUNDAY PUBLIC FIELD DAY. 7TH NOVEMBER 2010.

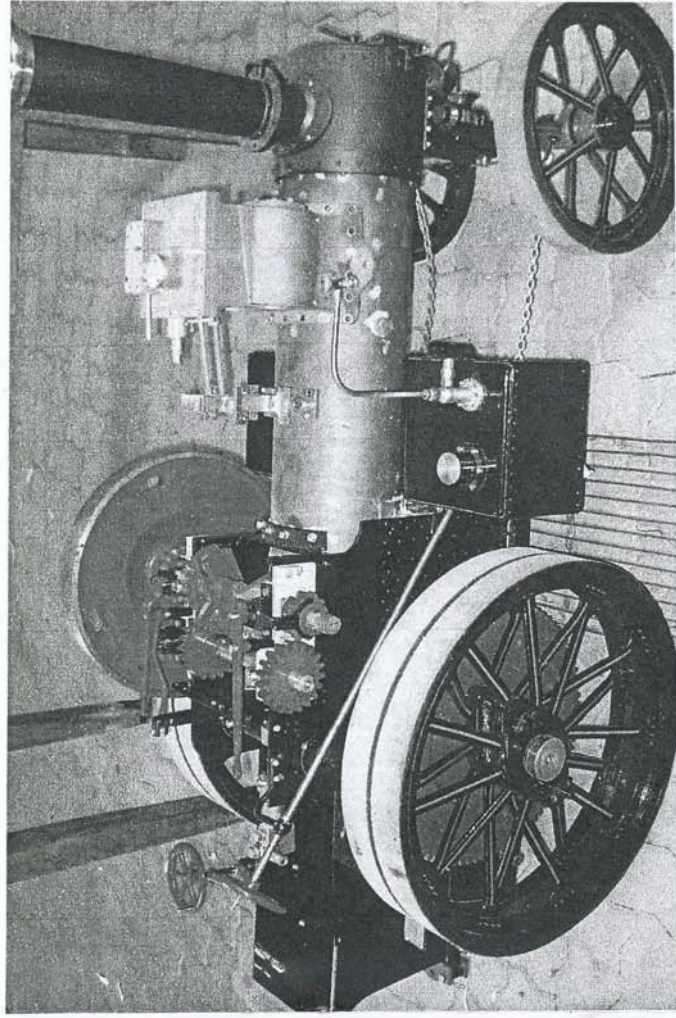

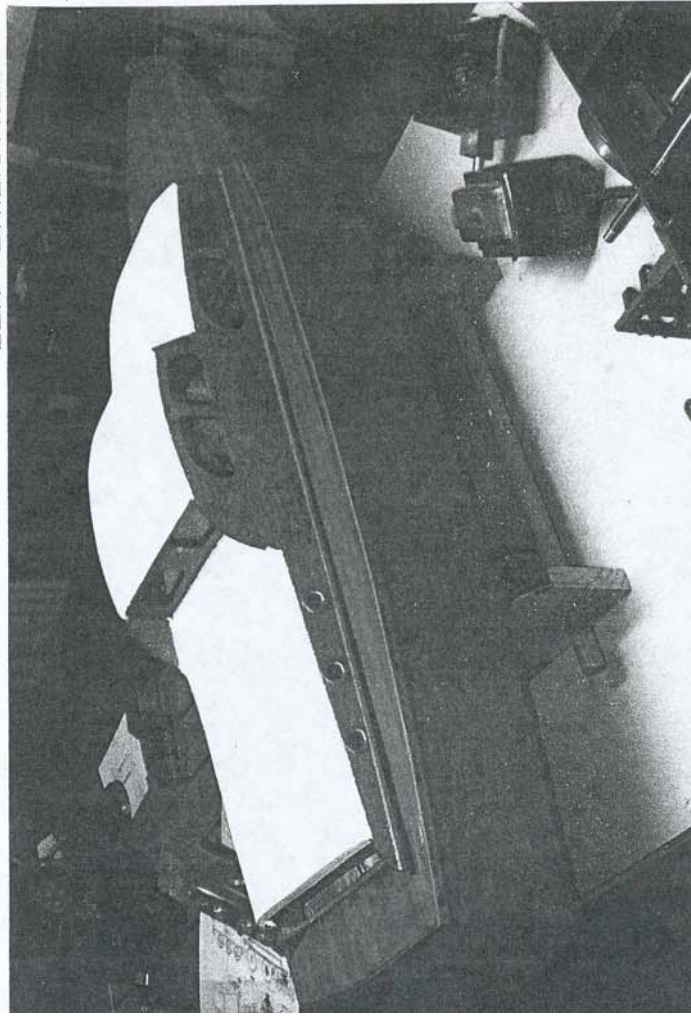

58 members attended a beautiful 22 degree day. We had an enormous crowd keeping everyone extremely busy and no chance for a rest. The crowd were certainly entertained well during the afternoon and the waiting lines moved smoothly and consistently. A fantastic turn out of models with 10 locos on the 5", 3 locos on the 7.25" and 22 model boats.

With 6 very large parties, Jean Clark, Margaret Lewis, John Lewis, Toni Offler, Jackie Monte and Jodie Monte were kept busy. It was quite an enjoyable day for all and many thanks to all members coming out to help, as many hands do make light work.

TRAFFIC MANAGEMENT CENTRE VISIT. TUESDAY 16TH NOVEMBER 2010.

30 Members attended an evening which enlightened us all of how large and involved Adelaide's Traffic Management Centre works to keep the City's traffic flowing, and all Emergency services to respond quickly wherever the location. We were also shown the vast network of cameras situated around the city. A most enjoyable, informative and educational evening was had by all.

NOVEMBER MEETING NIGHT 9th NOVEMBER 2010.

The November meeting was the "Annual Show of Work". After General Business was over members adjourned to view workshop items, which for the most part never see the light of day until finished and take their place as finished objects. This year was no exception. Wide range of subjects on display with top class standards of work. The following items were on display,

Peter Hoyer's R3 Class compound road loco in 3" scale. plus main rod and gears.

Brad Cottle .Union Pacific flat top /Bogies.

Graeme Driscoll, Frames for a LMS Duchess Turbine driven loco in 5" gauge.

Richard Schaumlöffel. 2 items, a GRAF piano frame of 1824 in 1/4" scale and a set of machined Simplex cylinders and wheels.

Bill Coles a non lifting machine vice.

Don Fleming, a very fine triple expansion engine.

Ken White, a very neat single cylinder horizontal steam engine.

Allan Wallace, "O" gauge gas fired loco in brass , "BAT."

Ron Christie, Electric driven launch, circa 1960.

Kingsley Martin, a very fine rolling chassis and motion for an 0-6-0 Simplex.

Bob Smith, Partial completed Rail Carriage.

David Walton. Melbourne Cable Car based on the profile of 1885/1940.

Editors note, If I have missed anyone out or mistakes that need to be corrected please let me know for correction in the next Bulletin.

Photos are less than ideal but I can printout better copies if needed. Bill Coles.

SATURDAY PUBLIC FIELD DAY 20TH NOVEMBER 2010

On a relaxing 27 degree day, 39 members made light work in all areas of the club even for the ladies in the canteen. Suzanne Clark, Jean Clark, Jill Smith, Libby Foster, Margaret Lewis and Jackie Monte. There were 6 large parties to keep the stations busy where the public had many rides during the afternoon. We received many comments of how good it was for everyone that attended and how they will be back at a later date to enjoy our facilities.

ANNUAL LUNCHEON DOLPHIN CRUISE 21ST NOVEMBER 2010.

31 Members went on the Port Adelaide Dolphin Cruise for the yearly luncheon and were not disappointed at the number of dolphins, but how close they came to vessel to give an extremely good view. A most enjoyable lunch was enjoyed with good company on a delightful day.

MEMBER OF THE QUARTER

JOHN DAVEY [JACK] - LIFE MEMBER.

Joined SASMEE in February 1966.

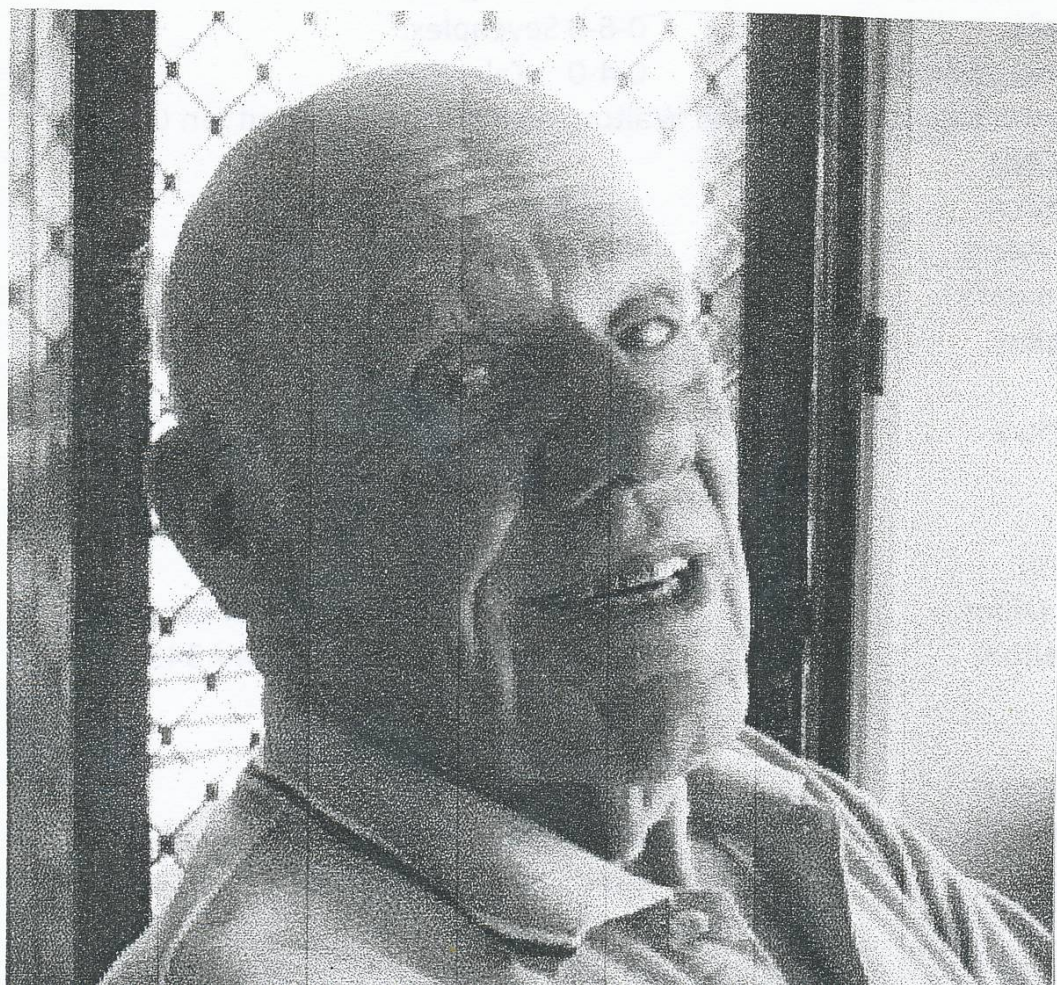

During his working life John was an Insurance Administration Supervisor.

John got into model engineering after retiring from the Citizens Military Forces CMF and also after doing a technical studies at Thebarton Technical High School, found that SASMEE was the place to join and have a go.

During the years John has built a Maisie and still building a 7.25" diesel.-modeled from the one that ran at the power station.

Over the years John saw many achievements at SASMEE ,however the one that stood out was the expansion of the land to it`s present size and the placing of the 7.25" gauge track.

On public run days, john currently spends a lot of his time in the ticket box and is also a librarian. Certainly a member of many talents.

BOAT MODELLERS

All members with boats, please remember to have your frequency peg on the board before turning on your transmitter. Don't let your mistake damage someone else's boat.
